To

The Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore.

Subject:- Insertion of the names of the Superintendents of the Secretariat in Part I of the Civil List.

Sir,

We, the Superintendents, of the General & Revenue Secretariat and Associated Offices, beg to state that the names of the Secretariat Superintendents were being published in Part I of the Civil List published every half-year in January and July till the year 1942. They ceased to be published from January 1943, as a measure of stringent economy on account of the war conditions existing at the time. Now that this emergency has ceased to exist and all the orders of economy have been withdrawn, it is high time that the system of publishing the names of Secretariat Superintendents in the Civil List is restored and we humbly pray that our names may be published in the Civil List - Part I - to be published in January 1949 and onwards.

2. Kind reference is invited to letter No.Fl. 6018/GF.284-42-4 dated 17th May 1943 from the Financial Secretary to Government communicating the orders of Government directing, inter-alia, that as a measure of economy the names of all the non-gazetted officers with the exception of Sub Registrars may be omitted in the Civil List, Part I.

3. On a previous U.O. reference received from the Chief Secretary to Government on the same subject I stated in my U.O. no: 303/G.A.D. dated 18-3-47 that it does not appear to be desirable as a general rule to include the names of non gazetted officers in the Civil List and that as the strength of the Gazetted Officers has increased considerably in recent years the publication will become unwieldy, if the names of some non Gazetted Officers are also to be included therein.

4. If an exception is now made in respect of the Superintendents of the Secretariat, requests are likely to be received from other non-Gazetted Officers of equal status working in other departments of Government for their inclusion of their names also in the Civil List.

2. The procedure now obtaining in regard to the publication of the half-yearly Civil List, as per sanction of Government communicated in No.Fl.5612 dated 24-1-47, is to send relevant portions of the preceding edition of the Civil List by this office to the Departments concerned for revising the matter and returning the same to this office and to take one proof of the Civil List before final print after incorporating all the changes upto end of December and June each year.

3. Accordingly, portions pertaining to the Departments have been sent duly corrected upto 1-1-49 and are being received from them duly verified. Manuscripts are also being sent to the Press in batches, as and when ready after incorporating all the changes upto 1-1-49, for a clean proof before final print.

Should, however, it be required immediately, manuscripts received from the Departments duly corrected upto 1-1-49 will be arranged to be copied and sent to Government before forwarding the same to the Press for a proof.
